

Timeframes listed below are approximations. You may contact your Education Program Specialist with any questions you may have regarding these milestones.

FOR STATE SPECIFIC REQUIREMENTS, CLICK ON THE "STATE RESOURCES" TAB IN THE TOP RIGHT CORNER.

### STUDENT TEACHING AND PLACEMENT SUPPORT ROLES:

**Progression Specialist** – Supports students with a full understanding of program requirements such as, fingerprinting, observation hours, documentation for student teaching, and testing.

**Placement Specialist** – Communicates with students and school districts to support students with placement for program requirements.

**Cooperating Teacher** – Supervises the student on site within classroom. Monitors progress and provides feedback and grades.

**Faculty Supervisor** – The Faculty Supervisor serves as a liaison between the teacher candidate, UOPX, and cooperating teacher and provides guidance and feedback during the student teaching experience.

### PROGRAM ADVISEMENT ROLES:

**Enrollment Representative** – Supports students decision in choosing a specific program to start at the University. Assists in ensuring the student has full knowledge of a program prior to starting.

**Academic Counselor** – Coaches student through program. Assists student in understanding all program requirements during the duration of the program.

**Faculty** – Facilitates classroom objectives to meet program student learning outcomes.
