

PATTON – FULLER COMMUNITY HOSPITAL

Incident Report Form

Patient Name: Blaine Preuss, Joshua Jenquin

Employee Name: Darwin Castillo, R.N.

Date: 4/30/10

Time: 00:45

Incident Description: Blaine Preuss was given a Demerol shot for pain that was intended for Joshua Jenquin.

Patient Response: Preuss was heavily sedated and minimally responsive for several hours. The physician came in to evaluate and elected to have him sleep it off. Joshua Jenquin suffered severe pain (rated at 8 on a scale of 8/10) for several hours before he received the shot when next scheduled several hours later.

Clinical Response: Physician evaluation of Blaine Preuss
